- c. Between the hours of 8:00 am and 8:00 pm for the purposes of providing services requested by the Tenant and that prior to entering the Landlord announces intent to enter to perform services.

The Landlord shall not abuse the right of access or use it to harass the Tenant. Except for section 15(a), 15(b), and 15(c), the Landlord shall give the Tenant at least 24 hours notice of intent to enter and may enter only at reasonable times. The Landlord has no other right of access except; pursuant to court order; as permitted by the South Carolina Residential Landlord and Tenant Act when accompanied by a law enforcement officer at reasonable times for the purpose of service of process in ejectment proceedings, or unless the Tenant has abandoned or surrendered the premises.

- 23. LOCKOUTS:** Assistance from Landlord for lockouts will be assessed a \$75.00 service fee during evening (5:00pm to 8:30am Monday – Friday), weekend hours (Saturday – Sunday), and/or holidays. Payment is due at time of service. Tenant will be responsible for damages caused by Tenant or their guest(s) trying to access premises or interior rooms without keys or codes.

Tenant must keep music levels and other loud sounds to a minimum and comply with all City and/or County ordinances regarding noise.
- 25. PROHIBITIVE EQUIPMENT/FURNITURE:** Placement of antennas, satellite dishes, waterbeds, and auxiliary heaters (i.e. kerosene/electric heaters) are prohibited, unless prior written consent is obtained from the Landlord.

Normal enlistment termination or other type discharge from Armed Forces, unless due to conditions beyond the service member’s control, or acceptance of government quarters is not a permanent change of station and is not justification for lease termination. Withholding knowledge of pending transfer or discharge at time of entry into this Rental Agreement voids any consideration or protection offered by this section.
- 30. DEFINITION OF “THIRTY (30) DAY NOTICE”:** Any written notice given by either party to the other party in order to meet a thirty (30) day notice requirement will be deemed given, and the thirty (30) days deemed to commence on the first day of the calendar month following the date of receipt of said notice. - 31. DESTRUCTION OR DAMAGE TO PREMISES:** If the dwelling unit or premises are damaged or destroyed by fire or casualty to the extent that normal use and occupancy of the dwelling is substantially impaired, the Tenant may:
- a. Immediately vacate the premises and notify the Landlord in writing within seven days thereafter of Tenant's intention to terminate the Rental Agreement, in which case the Rental Agreement terminates as of the date of vacating; or
 - b. If continued occupancy is lawful, vacate any part of the dwelling unit rendered unusable by the fire or casualty, in which case the Tenant's liability for rent is reduced in proportion to the diminution in the fair-market rental value of the dwelling unit.

Unless the fire or casualty was due to the tenant's negligence or otherwise caused by the tenant, if the Rental Agreement is terminated, the landlord shall return security deposit to the tenant with proper accounting as required by law. Accounting for rent in the event of termination or appointment must be made as of the date of the fire or casualty. The Landlord shall withhold the tenant's security deposit if the fire or casualty was due to the tenant's negligence or otherwise caused by the tenant, with proper accounting as required by law.

- 32. CONDEMNATION:** Tenant hereby waives any injury, loss or damage, or claim therefore against Landlord resulting from any exercise of a power of eminent domain of all or any part of the rented premises or surrounding grounds of which they are a part. All awards of the condemning authority for the taking of land, parking areas, or buildings shall belong exclusively to the Landlord. In the event substantially all of the rented premises shall be taken, this Rental Agreement shall terminate as of the date the right to possession vested in the condemning authority and rent shall be appointed as of that date. In the event any part of the property and/or building or buildings of which the rented premises are a part (whether or not the rented premises shall be affected) shall be taken as a result of the exercise of a power of eminent domain, and the remainder shall not, in the opinion of the Landlord, constitute and economically feasible operating unit, Landlord may, by written notice to Tenant given within sixty (60) days after the date of taking, terminate this Rental Agreement as of a date set out in the notice not earlier than thirty (30) days after the date of the notice; rent shall be apportioned as of termination date.

- 33. ABSENCE, NON-USE AND ABANDONMENT:** The unexplained absence of a Tenant from a dwelling unit for a period of 15 days after default in the payment of rent must be construed as abandonment of the dwelling unit. If the Tenant abandons the dwelling unit for a term beginning before the expiration of the Rental Agreement, it terminates as of the date of the new tenancy, subject to the other Landlord's remedies. If the Landlord fails to use reasonable efforts to rent the dwelling unit at a fair rental rate or if the Landlord accepts the abandonment as surrender, the Rental Agreement is considered to be terminated by the Landlord as of the date the Landlord has notice of the abandonment. When a dwelling unit has been abandoned or the Rental Agreement has come to an end and the Tenant has removed a substantial portion of personal property or voluntarily and permanently terminated the utilities and has left personal property in the dwelling unit or on the premises with a fair-market value of \$500.00 or less, the Landlord may enter the dwelling unit, using forcible entry if required, and dispose of the property.

- 34. NONCOMPLIANCE WITH RENTAL AGREEMENT OR FAILURE TO PAY RENT:** If there is a noncompliance by the Tenant with the Rental Agreement other than nonpayment of rent or a noncompliance with Paragraph 13 above, the Landlord may deliver a written notice to the Tenant specifying the acts and omissions constituting the breach and that the Rental Agreement will terminate upon a date not less than 14 days after receipt of the notice, if the breach is not remedied in 14 days.

The Rental Agreement shall terminate as provided in the notice except that: if the breach is remediable by repairs or otherwise and the Tenant adequately remedies the breach before the date specified in the notice, or if such remedy cannot be completed within 14 days, but is commenced within the 14-day period and is pursued in good faith to completion within a reasonable time, the Rental Agreement shall not terminate by reason of the breach.

If rent is unpaid when due and the Tenant fails to pay rent within (5) five days from the date due, the Landlord may terminate the Rental Agreement provided that Landlord has given the Tenant written notice of nonpayment and Landlord's intention to terminate the Rental Agreement. If the rent is not paid within that period, said notice is contained herein Paragraph 4.

The Landlord may recover actual damages and obtain injunctive relief in magistrate's or circuit court without posting bond for any noncompliance by the Tenant with the Rental Agreement of Paragraph 13 above. If the Tenant's noncompliance is willful other than nonpayment of rent, the Landlord may recover reasonable attorney's fees. If the tenant's nonpayment of rent is not in good faith, the Landlord is entitled to reasonable attorney's fees.

If there is noncompliance by the Tenant with Paragraph 13 above materially affecting health and safety that can be remedied by repair, replacement of a damaged item, or cleaning and the Tenant fails to comply as promptly as conditions require in case of emergency, or within fourteen (14) days after written notice by Landlord specifying the breach and requesting that the Tenant remedy it within that period of time, the Landlord may enter the dwelling unit and cause the work to be done in a workmanlike manner and shall in addition have the remedies available under the South Carolina residential Landlord and Tenant Act.

If there is noncompliance by the Tenant with Paragraph 13 above materially affecting health and safety other than as set forth in the preceding paragraph, and the Tenant fails to comply as promptly as conditions require in case of emergency, or within fourteen (14) days after written notice by the Landlord if it is not an emergency, specifying the breach and requesting that the Tenant remedy within that period of time, the Landlord may terminate the Rental Agreement. If the Rental Agreement is terminated, the Landlord has a right to possession and for rent and a separate claim for actual damages for breach of Rental Agreement and reasonable attorney's fees. Any claim not satisfied by Tenant may be turned in to the credit bureau or collection agency.
